## **FINANCIAL WAIVER FORM**

Dear Medicare Patient:

Yonemoto Physical Therapy is a participating Medicare Provider and we will bill your Part B benefits for the 80% covered by Medicare. The remaining 20% balance due is the patient's responsibility or a second insurance company maybe billed for the amount.

Also, Medicare has a calendar year deductible and the patient is responsible for that amount if it is not covered by your supplemental insurance. Please check with the Finance Department for more information about the coordination of benefits with your insurance company.

If you are currently receiving Home Health Services, please advise our office. Medicare will not cover Part B Physical Therapy benefits concurrently with a Home Health Agency.

I have read the above statements and understand my financial responsibilities. I waive my rights to insurance benefits if I have not accurately informed Yonemoto Physical Therapy of my insurance coverage prior to treatment.

Dear New Patient,

Welcome to Yonemoto Physical Therapy!

The Yonemoto Physical Therapy team is here to help you improve movement and function, relieve pain, and expand your movement potential. Through evaluation and individualized treatment programs, physical therapists can treat existing problems and provide preventive health care for people with a variety of needs.

Treatment may include mobilizing stiff joints and tissue, exercise stretching, and education. The goals of physical therapy are to restore or achieve optimal movement/function and to relieve pain.

You should notice changes in how your body is functioning or feeling during or after therapy. It is always good to tell your therapist anything you're noticing so they can modify your treatments appropriately, if needed.

Proper attire for therapy would be comfortable clothing, such as shorts, sweats, T-shirts and tennis shoes. We kindly request that you not bring small children into the gym area for safety reasons. The gym equipment is for patient use only.

Our office hours are:      M-F            7:30am - 6:30pm

**If for any reason you cannot make a scheduled appointment, please call our office at (626) 576-0591. Our answering machine is on after hours and 24 hours on Saturday and Sunday. We do charge a fee of \$45.00 for not showing up for an appointment without giving our office at least 24 hours notice. This charge is to cover our therapists downtime, if we are unable to schedule someone else in that slot. (PLEASE NOTE: You are responsible for this \$45.00 payment before or at your next visit. It is not covered by your insurance.)**

Insurance deductibles and any co-payment due will be collected at each visit. Our financial representatives will meet with you and answer any questions you may have. You have several payment options: cash, check, Mastercard or Visa.

While receiving therapy at Yonemoto Physical Therapy, we want to know that we are servicing you the best we can. For that reason we have placed a "Suggestion Box" in the reception area and gym. Please use it if there is anything we can improve in our service.

If you have any questions, please do not hesitate to ask. Again, welcome to Yonemoto Physical Therapy!

Sincerely,  
Sheila Yonemoto, PT
